DATE: March 17, 2020

The Plans, Specifications and Bid Documents shall be amended as follows:

ITEM NO. 1

Because of national travel and health concerns and the recommendations and precautions suggested by the CDC, federal, and state governments, the attendance requirement for the mandatory pre-bid meeting scheduled for Tuesday, March 24, 2020 at 2:00 P.M. has been revised as follows:

Prospective bidders may attend the meeting in person at the address given in the advertisement for bid, or they may attend remotely via video conference or conference call that will be established by the Owner. Final details for the remote connection will be sent to plan holders once the details are known.
